“Retirement Planning” to Help Prepare for an Abundant Future

WEST GROVE, Pa. – September 14, 2015 – What’s the best strategy to save for retirement? Avon Grove Library helps answer this question with the free program “Retirement Planning” on Tuesday, September 29 at 7 p.m.

Presented by Krista Finegan, a local financial advisor with Morgan Stanley, this session will teach participants how to prepare to meet their future needs and wants. “Retirement Planning” is not a sales presentation, but rather a chance to get basic information and ask questions.

“This is a great opportunity for anyone, younger or older, who needs to think ahead. The younger you start planning, the better,” said Lori Schwabenbauer, director of Avon Grove Library. “I’m excited to bring Krista here, because the library is committed to providing classes on important topics like this to improve the lives of our customers.”

The library is located at 117 Rosehill Avenue in the West Grove Borough Building (610-869-2004, www.avongrovelibrary.org). All seminars will be held in the Public Meeting Room.

Avon Grove Library is a vital educational institution, providing equal opportunity for self-directed learning, research assistance and instruction, and enriching experiences for over 30,000 students of all ages in southern Chester County. The library is a member of the Chester County Library System.
